**AIC**

A46/20

14 October 2020

**ADMINISTRATIVE**  
(White)

**AMENDED INSTRUCTIONS ISSUED BY GOVERNMENT**  
**REGARDING JAMAICA TRAVEL ENTRY PROTOCOLS: COVID-19**

1. This AIC is issued based on/further to the Disaster Risk Management (Enforcement Measures) (No. 14) Order, 2020 which came into effect on the 6<sup>th</sup> day of October, 2020.
2. The measures set out in this Order are directed to be enforced in accordance with sections 26(5) to (7) and 52 of the Disaster Risk Management Act, for removing or otherwise guarding against or mitigating the threat, or effects, of the SARS – CoV-2 (Coronavirus COVID-19) and the possible consequences thereof.
3. **Requirements for Entry to Jamaica**
  - (1) A person who, during the period October 6, 2020, to October 31, 2020, seeks to enter Jamaica, shall:
    - (a) if the person is ordinarily resident in Jamaica, complete, through the website <https://jamcovid19.moh.gov.jm/>, the relevant application for entry; or
    - (b) if the person is not ordinarily resident in Jamaica,
      - (i) complete, through the website <https://www.visitjamaica.com>, the relevant application for entry; and
      - (ii) comply with all applicable provisions of the Immigration Restriction (Commonwealth Citizens) Act and the Aliens Act.
    - (c) In paragraphs 3., 4., 5., 6. and 7., “ordinarily resident in Jamaica” means resident in Jamaica for a continuous period of not less than six months in a calendar year.
  - (2) A Medical Officer (Health), Medical Officer or public health officer shall, in respect of a person who applies under sub-paragraph (1) to enter Jamaica, conduct a health and risk assessment including:
    - (a) a temperature check;

- (b) observation for symptoms of the SARS – CoV-2 (Coronavirus COVID-19);
  - (c) taking into account whether the occupation of the person creates a heightened risk of exposure to the SARS – CoV-2 (Coronavirus COVID-19); and
  - (d) taking into account the countries visited by the person during the period of six weeks immediately before the date of the application and any other relevant health factors,
- and determine whether or not the person poses a high risk for the transmission of the SARS – CoV-2 (Coronavirus COVID-19).
- (3) During the period from October 6, 2020, to October 31, 2020, each person who enters Jamaica shall be given information about the protocols that the person shall follow in order to minimize the risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19).
  - (4) Notwithstanding anything in paragraphs 4 to 7, a person permitted to enter Jamaica under any of those paragraphs shall be permitted to leave Jamaica during the period from October 6, 2020, to October 31, 2020.
  - (5) The provisions of sub-paragraph (2) and paragraphs 4, 5, 6 and 7 shall not apply to airline crew, but a member of airline crew, who is landed in Jamaica, shall for the duration of that member’s stay in Jamaica, remain at an abode or place of residence (including the yard).

#### **4. Procedure For Entry Of Person Ordinarily Resident in Jamaica**

- (1) A person seeking to enter Jamaica at any time during the period from October 6, 2020, to October 31, 2020, who is ordinarily resident in Jamaica shall, on being permitted to enter Jamaica, be required to remain in quarantine, in isolation from other persons, in accordance with:
  - (a) a home quarantine order; or
  - (b) a Government facility quarantine order,issued to the person by a Medical Officer (Health).
- (2) A home quarantine order under this paragraph shall be in the following form:

“ THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER  
(NO. 14), 2020, PARAGRAPH 4

#### **HOME QUARANTINE ORDER**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING  
AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF  
COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

<b>CATEGORY OF TRAVELLER:</b>	<b>RESIDENT</b> (JAMAICAN NATIONAL AND NON-NATIONAL - ORDINARILY RESIDENT IN JAMAICA)
<b>RISK CLASSIFICATION:</b>	<b>HIGH RISK</b> <input type="checkbox"/> <b>LOW RISK</b> <input type="checkbox"/>

**CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS-CoV2**

You have, or might have, been exposed to the SARS-CoV2, virus that causes COVID-19, through travel or contact. Infection by the SARSCoV2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. Symptoms may appear anywhere from two (2) to fourteen (14) days after exposure to the SARS-CoV2. People may be able to transmit infection beginning one day before they develop symptoms to up to 7 days after they get sick. The SARS-CoV2, virus is transmitted by spread most often by respiratory droplets from an infected person. If SARS-CoV2, virus spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (NO. 14) ORDER, 2020, the Medical Officer (Health), Medical Officer or public health officer has determined that:

As a result of your possible exposure to the SARS-CoV2, virus, the following public health control measures detailed below are being implemented. These measures include contact with the \_\_\_\_\_ Health Department at least twice daily to monitor for signs and symptoms of COVID-19, for fourteen (14) days, following the date of arrival into the country. Based on assessment, you may be required to do a COVID-19 PCR test.

All persons who test positive OR become symptomatic are placed in isolation

## REQUIREMENTS

**You must comply with these control measures through to \_\_\_\_/\_\_\_\_/\_\_\_\_**  
(14 days following the date of arrival into the country).

During this time, you are required to:

- ✓ Remain at (insert address) unless specifically authorized to leave by the Medical Officer (Health).
- ✓ Isolate yourself from others immediately if any symptoms develop and call the \_\_\_\_\_ Health Department at (      ) -      -
- ✓ Record your temperature and symptoms every 12 hours using the App on your phone, or form provided
- ✓ Be available for an in-person visit once per day by a health care worker
- ✓ Report your temperature and symptoms a minimum of 2 time(s) per day to the Health Department nurse by phone
- ✓ Keep a record of all visitors to your home and public places you visit (if permitted by the Medical Officer (Health) using the App on your phone, or the form provided
- ✓ Maintain a 6-feet (1m) distance from others
- ✓ NOT take any form of public transportation (e.g. aircrafts, buses, taxi, car-pooling, etc.).
- ✓ NOT go to public places (e.g. shopping centers, movie theatres, market, church) or public gatherings
- ✓ NOT go physically to your workplace (working from home is permitted)

If you **fail to comply with these control measures, you commit an offence under section 52 of the Disaster Risk Management Act** and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.

You have been properly informed and counselled by \_\_\_\_\_, P.H.I., Port Health Nurse, R.N., Health Educator, Doctor with the \_\_\_\_\_ Health Department/Ministry of Health & Wellness regarding the control measures for SARS-CoV2.

The staff of this Health Department remains available to provide assistance and counselling to you concerning your possible exposure to SARS-CoV2 and compliance with these control measures.

Issued by: \_\_\_\_\_

- (3) A person to whom any of the requirements of this paragraph applies:
- (a) shall comply with all applicable directions given, and requirements imposed, by an authorized officer;
  - (b) shall not attend for work at the person's place of employment (but may work from home), during the period that the person is required under this paragraph to remain at the person's abode or place of residence or in quarantine, and the person's employer shall not count that period against the leave entitlements of the person unless otherwise agreed between the employer and the person; and
  - (c) shall comply with the provisions of paragraph 9, and with all applicable directions given, and requirements imposed, in respect thereof by an authorized officer.

**5. Procedure Following Risk Assessment Of Person Who Is Not Ordinarily Resident In Jamaica, Visiting As a Tourist In The Resilient Corridor**

- (1) This paragraph applies in respect of a person:
- (a) who is not ordinarily resident in Jamaica;
  - (b) who seeks to enter Jamaica as a tourist; and
  - (c) whose intended abode or place of residence in Jamaica is at a place within the area of the Resilient Corridor described in paragraphs 10 and 11.

- (2) Where the person seeks to enter Jamaica at any time during the period from -
- (a) October 6, 2020 to October 9, 2020, if the person is 12 years of age or older and a risk assessment determines that the person poses a high risk of transmission of the SARS-CoV-2 (Coronavirus COVID-19), the person shall not be permitted to enter Jamaica unless the person provides, with the application for entry, a valid COVID-19 PCR that:
    - (i) is no older than ten days prior to the proposed date of entry; and
    - (ii) shows that the person tested negative for the SARS – CoV-2 (Coronavirus COVID-19); or
  - (b) October 10, 2020, to October 31, 2020, the person shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness and outlined in (c).
  - (c) The accepted COVID-19 tests are:
    - i. Approved RT-PCR Test
    - ii. Approved Rapid Antigen Test-
      - a. SD Biosensor Q Test
      - b. SD Biosensor F200 Test
- (3) Subject to sub-paragraph (6), a person to whom this paragraph applies and who is permitted to enter Jamaica shall:
- (a) in accordance with a stay in the Resilient Corridor order issued to that person, remain at that person’s abode or place of residence within the area of the Resilient Corridor described in paragraphs 10 and 11; and
  - (b) shall not be required to be tested for the SARS – CoV-2 (Coronavirus COVID-19) for the duration of person’s stay in Jamaica pursuant to such permission, unless:
    - (i) the assessment conducted under paragraph 3 determines that the person poses a high risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19); or
    - (ii) the person displays symptoms of the SARS – CoV-2 (Coronavirus COVID-19).
- (4) A person to whom any of the requirements of this paragraph applies shall:
- (a) comply with all applicable directions given, and requirements imposed, by an authorized officer;
  - (b) comply with the provision of paragraph 9; and
  - (c) shall only travel on transportation licensed under the Tourist Board Act.

(5) A stay in the Resilient Corridor order under this paragraph shall be in the following form:

“ THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) ORDER  
(NO. 14), 2020, PARAGRAPH 5

**STAY IN RESILIENT CORRIDOR**

A RISK-BASED PROTOCOL HAS BEEN INTRODUCED REGARDING TESTING AND RESTRICTION ON MOVEMENTS FOR PREVENTION AND CONTROL OF COVID-19.

All persons arriving in Jamaica are required to undergo a health screening and risk assessment.

<b>CATEGORY OF TRAVELLER:</b>	<b>NON-NATIONAL VISITING JAMAICA FOR TOURISM AND STAYING IN THE RESILIENT CORRIDOR</b>
<b>RISK CLASSIFICATION:</b>	<b>HIGH RISK</b>

**CONTROL MEASURES FOR PERSONS WITH POSSIBLE EXPOSURE TO SARS\_CoV2**

You have, or might have, been exposed to the SARS-CoV2, virus that causes COVID19, through travel or contact. Infection by the SARSCoV2 virus is an acute respiratory infection that may present with mild, moderate, or severe illness and may be fatal. The symptoms of acute respiratory infection include fever, cough, sore throat and difficulty breathing, and in some cases, diarrhoea, vomiting, abdominal pain, chest pain. If SARS-CoV2 spreads in the community, it would have severe public health consequences.

In accordance with THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES) (NO. 14) ORDER, 2020, the Medical Officer (Health), Medical Officer or public health officer has determined that:

You pose a high risk for the transmission of the SARS – CoV–2 (Coronavirus COVID-19) and the Medical Officer (Health), Medical Officer or public health officer has determined that you are required to remain in the hotel property stated below within the COVID19 Tourism Resilient Corridor for the duration of your stay, except that as provided under paragraph 5(6) of the Order you may, subject to the requirements specified in paragraph 5(6), leave that abode or place of residence to visit

any tourist attraction, that is certified by the Jamaica Tourist Board to be a COVID-19 Resilient licensed attraction located within the area of any part of the Resilient Corridor.

You are required to report symptoms to the health desk in your hotel or to the health department and based on assessment, you may be required to do a COVID-19 PCR test.

Hotel: \_\_\_\_\_

**All persons who test positive OR become symptomatic are placed in isolation.**

If you **fail to comply with these control measures of the Disaster Risk Management Act (Enforcement Measures) (No. 14) Order, 2020**, you **commit an offence under section 52 of the Disaster Risk Management Act** and shall be liable on summary conviction before a Judge of a Parish Court to a fine not exceeding one million dollars or to imprisonment for a term not exceeding twelve months.

You have been properly informed and counselled by

\_\_\_\_\_  
[Medical Officer (Health), Medical Officer or public health officer]

(6) Notwithstanding sub-paragraph (3), during the period from October 6, 2020 to October 31, 2020, a person –

(a) to whom this paragraph applies; and

(b) whose abode or place of residence is within the area of any part of the Resilient Corridor described in paragraphs 10 and 11,

may, subject to the requirements specified in sub-paragraph (7), leave that abode or place of residence to visit any tourist attraction, that is certified by the Jamaica Tourist Board to be a COVID-19 Resilient licensed tourist attraction located within the area of any part of the Resilient Corridor described in paragraphs 10 and 11.

(7) For the purposes of sub-paragraph (6), the requirements are that the person shall –

(a) travel to and from the attraction on transportation licensed under the Tourist Board Act; and

(b) For the duration of the visit to the attraction –

i. Comply with all applicable provisions; and

ii. Remain with the family or group with which that person travelled to the attraction.

**6. Procedure Following Risk Assessment Of Person Who Is Not Ordinarily Resident In Jamaica, Visiting For Business Purposes.**

(1) Sub-paragraph (2) applies in respect of a person who:

(a) is not ordinarily resident in Jamaica; and

(b) seeks at any time during the period from October 6, 2020, to October 9, 2020, to enter Jamaica for business purposes.

(2) A person to whom this sub-paragraph applies shall be tested for the SARS-CoV-2 (Coronavirus COVID-19) upon arrival in Jamaica and if a risk assessment determines that the person poses a high risk of transmission of the SARS-CoV-2 (Coronavirus COVID-19), the person shall not be permitted to enter Jamaica unless the person provides, with the application for entry, a valid COVID-19 PCR or Rapid Antigen test that:

(a) is no older than 10 days prior to the date of entry; and

(b) shows that the person tested negative for the SARS-CoV-2 (Coronavirus COVID-19).

(3) A person who:

(a) is not ordinarily resident in Jamaica; and

(b) seeks at any time during the period from October 10, 2020, to October 31, 2020, to enter Jamaica for business purposes.

shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness.

(4) A person to whom any of the requirements of this paragraph applies and who is required to remain in quarantine shall be issued a quarantine order in the following form and shall remain in quarantine in accordance with the order:

“THE DISASTER RISK MANAGEMENT (ENFORCEMENT MEASURES)  
ORDER (NO. 14), 2020, PARAGRAPH 6

**7. Procedure following risk assessment of person who is not ordinarily resident in Jamaica, visiting other than as tourist staying in the Resilient Corridor and other than for business purposes.**

- (1) This paragraph applies in respect of a person who:
- (a) is not ordinarily resident in Jamaica; and
  - (b) seeks to enter Jamaica other than:
    - (i) as a tourist whose intended abode or place of residence in Jamaica is within the area of the Resilient Corridor described in paragraphs 10 and 11; or
    - (ii) for business purposes.
- (2) Where the person seeks to enter Jamaica at any time during the period from:
- (a) October 6, 2020, to October 9, 2020, if the person is 12 years of age or older and a risk assessment determines that the person poses a high risk of transmission of the SARS-CoV-2 (Coronavirus COVID-19), the person shall not be permitted to enter Jamaica unless the person provides, with the application for entry, a valid COVID-19 PCR or Rapid Antigen test that is no older than ten days prior to the proposed date of entry, and which shows that the person tested negative for the SARS – CoV-2 (Coronavirus COVID-19).
  - (b) October 10, 2020, to October 31, 2020, the person shall, prior to boarding the vessel destined for Jamaica, provide at the port of departure such COVID-19 test, in respect of that person, as may be specified by the Ministry with responsibility for health and wellness.
- (3) A person to whom this paragraph applies and who is permitted to enter Jamaica:
- (a) shall not be required to be tested for the SARS – CoV-2 (Coronavirus COVID 19) for the duration of person’s stay in Jamaica pursuant to such permission, unless:
    - (i) the assessment conducted under paragraph 3 determines that the person poses a high risk of transmission of the SARS – CoV-2 (Coronavirus COVID-19); or

(ii) the person displays symptoms of the SARS – CoV-2 (Coronavirus COVID-19); and

(b) on being permitted to enter Jamaica, shall be required to remain in quarantine at the person's intended abode or place of residence in Jamaica for a period of 14 days beginning from the date on which the person enters Jamaica.

(4) A person to whom any of the requirements of this paragraph applies shall comply with-

(a) all applicable directions given, and requirements imposed, by an authorized officer; and

(b) the provisions of paragraph 9.

## **8. Electronic Monitoring**

(1) A person who is required to remain in quarantine under paragraph 4, 5, 6 or 7 shall be monitored by an electronic device.

(2) The use of an electronic monitoring device under sub-paragraph (1) shall be solely for the purpose of preventing the transmission of the SARS – CoV-2 (Coronavirus COVID-19) into the community, and, accordingly-

(a) The electronic monitoring device shall be used only to monitor:

(i) Whether the person has left the designated quarantine area; and

(ii) The health status of the person;

(b) The electronic monitoring shall be terminated immediately on the expiration of the quarantine period; and

(c) All information obtained from the electronic monitoring shall be stored in a secure manner for the duration of the quarantine, and shall:

(i) be accessible only by the technical personnel responsible for implementing the monitoring, who may disclose it only to the following individuals:

(A) a member of the Jamaica Constabulary Force, not below the rank of Inspector, designated by the Commissioner of Police; and

(B) a Medical Officer (Health) and a Medical Officer; and

(ii) be deleted upon the expiration of the quarantine.

## 9. Directions to Persons With COVID-19 Illness or Symptoms

- (1) A person in Jamaica who develops a respiratory illness or flu-like symptoms and who may have had contact with someone who:
  - (a) Has travelled to a country affected by the SARS – CoV-2 (Coronavirus COVID-19); or
  - (b) Is infected with the SARS – CoV-2 (Coronavirus COVID-19) or has been exposed to a person so infected,

shall forthwith inform the Ministry with responsibility for health and wellness (at 888-ONE-LOVE (888-663-5683), 888-754-7792, 876-542-5998, 876-542-6007, or 876-542-6006) and comply with all applicable directions given, and requirements imposed by, a Medical Officer (Health), a Medical Officer, a public health officer or a nurse registered under the Nurses and Midwives Act.

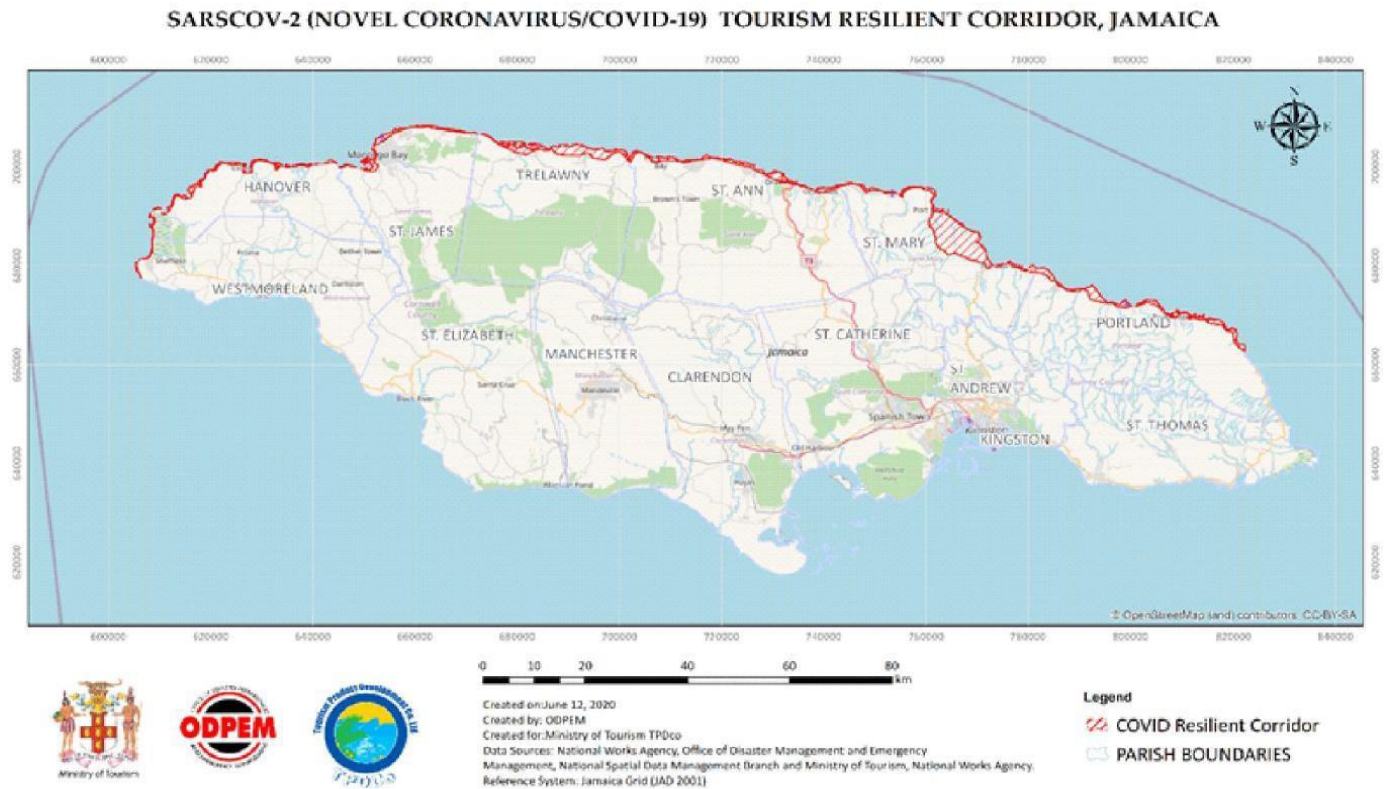

- (2) A person in Jamaica who tests positive for the SARS – CoV-2 (Coronavirus COVID-19) shall be quarantined at a facility designated by the Government, or such other place designated by a Medical Officer (Health).
